DEDICATION

Besides the Lord, I could not have done it without my sons, Jonathan and Joseph and Jordan!

Love you guys!

"To love God and serve Him is the sublimest gratitude" – Bishop Mark S. Grenon

100% of the proceeds from this book will be donated to the Genesis II Church of Health and Healing to support its workers and support official G2 Projects around the world to help create, "a world without dis-ease."

REAL SCIENCE: We at the Genesis II Church of Health and Healing have been involved in one of the most comprehensive, worldwide, cross cultural, broad spectrum, voluntary, **human health studies of this world for the past 10 years. If you include Jim Humble and** his studies in Africa, it has been almost 20 years. 95% of the world's diseases have been CURED with the Genesis II Church Protocols! **No monies were received from any pharmaceutical/medical companies wanting a certain result.** The people of this world who have followed the G2C protocols have not been paid in any way, but they have "self-dosed" themselves voluntarily. "Self-Care" is what is being taught and encouraged by the Genesis II Church worldwide and it is working incredibly well. Every person on this earth has the God-given right to control their own health and not rely on the pharmaceutical/medical industry. - Mark S. Grenon

Now that's science, which is: "**Observation and Repeatability.**" That is why you'll hear me say we are doing "clinical studies" all over the world with humans with our G2 Sacraments and seeing consistent results! Because that is exactly what we are doing, and I will show you testimonies as well as how to do it for YOURSELF! We'll look at the digestive system which to me is where MOST of the body's problems start and where 80% of our immune system's defenses reside to stop pathogens. **A *pathogen* or infectious agent is a biological agent that causes disease or illness to its host. The term is most often used for agents that disrupt the normal physiology of a multicellular animal or plant.** Many toxins are synthetic and artificial and not found in nature. If these toxins are allowed to enter the human body without being neutralized or destroyed, they WILL disrupt the normal physiology of the body resulting in **the whole being becoming dis-eased! NOTE**: I wrote this book in **a conversational way so all you grammar Nazis reading this book** need to focus on the message and not how it was delivered, ok?

Volume Three – This book is about my personal experience with thousands of people worldwide as we showed them how to "restore health" in the body by practicing "self-care" with the Genesis II Church of Health and Healing Sacraments.

This book is copy and write protected because some people would like to sell it, which is what I am trying to do with ALL the proceeds going to the G2Church, so you would be stealing from the G2 Church and not me. This book is designed to have the "research" and "evidence" in your hand to use as a personal health guidance plan to remain healthy in a VERY toxic world. This is how we are going to ***"create a world without dis-ease."*** May **by doing** what this book teaches, help us reach that goal!

Imagine, A World Without DIS-EASE" Volume One Book Reviews

- I bought your new book you wrote. I love it! It has a lot more detail on foods to eat, what not to eat, and how to do the protocols than the other one I own. I will tell people to get yours for now on since it answers more questions everyone has.
- Anyway I really enjoyed your Bible, I think it is more than just a book packed with lots of valuable information. There is no other book that I know of with this kind of information. I wish and hope that it becomes a best seller. It is an Encyclopedia of Medical Breakthroughs. It should qualify for a Nobel prize, but, as we know, will not be the case since it is financed by the pharmaceutical crooks. Aldo
- I am on page 30 and this is the best book I have ever read outside of the BIBLE!!! Bob
- Congratulations on 100 episodes; you guys have me laughing hard at times; I bought the book and its packed with info and I can only urge people to buy a copy. :)) Peter Martin Blessings!
- *"Eye Opening"*

A review from Dr. Leonard Horowitz

World Without Disease by Mark Grenon is Imaginable and Prophetic.

April 15, 2019

"Imagine a World Without Disease. Is it Possible? is an outstanding compilation of enlightening facts that Divine justice calls into question at these urgent 'End Times.' Civilization is now threatened with extinction by corporate fascists, government officials, and their minions of so-called science experts in 'healthcare' and biological warfare. Their damage demonstrates their criminal psychopathology, demonic possession, and ungodly impositions. These Deep State stewards of profitable depopulation, geopolitical and economic chaos, and human misery have a karmic destiny that is inescapable. Mark S. Grenon puts a nail in their coffin with this life-saving labor of love. I especially recommend his book for people awakening from their hypno-tronic trance states into the real world of physical salvation and spiritual restoration."

From Dr. Stephanie Seneff, MIT Scientist! Thank you for the book. It looks really interesting, and your views on health and disease are in very good alignment with my own views. A wealth of useful materials on how to stay healthy in the modern toxic world. You have targeted many of the same things I am concerned about - glyphosate, vaccines, EMFs, fluoride, ...
I am taking a break from podcasts at this time. I want to wait until my book comes out, because I think then I will be in a stronger place to defend the idea that glyphosate is the primary cause of the alarming rise in many diseases, including autism. In my book, I have a section that defends chlorine dioxide, and I have references to back it up. I'm hoping that will help dispel the myth that chlorine dioxide is way too toxic to be used medicinally. **Stephanie**

Hi Jordan
Can you tell me how I can put in my order now for Marks new Volume Two book "Imagine a World With Out Disease?"
I would like to pay for it now so when it's released, I'll have it.
Thanks and GOD Bless. Okay! Standing by. I'm really excited about it. The original was sent by GOD. What a masterpiece! Thanks. Richard Lee

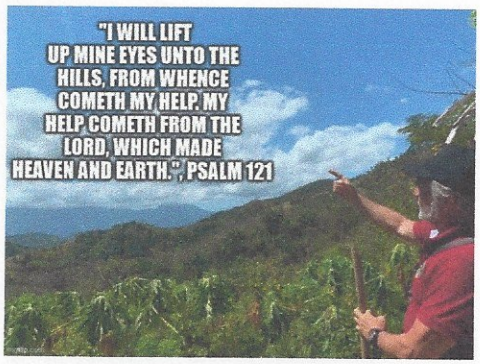
The Genesis of the G2Church

Volume Two of **'Imagine, A World Without DIS-EASE'** is an autobiographical narrative of the **Genesis II Church of Health and Healing** told by the Co-founder, Mark S. Grenon.

This Amazing Journey started back in 2006 where Mark , then a missionary pilot in the Dominican Republic was working with medical teams in the D.R. and in Haiti when he contracted MRSA, a staph infection along with his three sons while working as interpreters. The MRSA spread to all of his 8 children! Nothing worked to kill this infection. After months of using the 'latest and greatest' antibiotics known at that time, it was getting worse! In desperation to save his son, Jonathan's leg, he found a free eBook on the internet written by a miner named Jim Humble. That book, **'Breakthrough, The Miracle Mineral Supplement of the 21st Century'** not only 'restored health' for him and his family from the MRSA but put him on a path that changed his life! Mark and his sons, Jonathan and Joseph went on to help hundreds in the D.R. and Haiti 'restore health' from many different illnesses such as: **Diabetes, AIDS, Dengue, Gastritis, Cancer,** to name just a few.

In 2010, Jim Humble came to live with the Grenon Family at their mission compound in Barahona, D.R. where they founded the G2Church. The G2Church has grown today as of January 2020, to over **3,700 members in 145+ countries with 1997 Health Ministers, 115 Bishops and 252 Church Chapters.**

For the past 3 years, 10+ testimonies of 'restored health' from 95% of the illnesses in this world are coming in and being read in the free weekly **G2Church** Newsletter www.g2churchnews.org and on the weekly **G2Voice Broadcast** at: www.g2voice.is. This book will cover this incredible story starting in 2006 to 2014. From 2010 – 2014, you will read the how and why the G2Church was founded as well as what has transpired globally! From its inception, the G2Church has been attacked from the FDA and mainstream media. You will see we've been **eliminated from YouTube, Facebook, Twitter, and Vimeo.** A spokesperson from Google even stated in a newspaper article that an algorithm was written to hinder people from finding the information about the G2Church and video testimonies! **ABC, BBC, CBC, Sky News, and the Guardian newspaper** have spent considerable time slandering the G2Church! Why? Is this tiny Church that much of a threat to the Big Pharma/Medical industries? **May the Lord open the eyes of the world to the truths found in this book.**



"If we don't know where we came from, we can't know where we are and for sure don't know where we are going." *- Bishop Mark S. Grenon*

Here are some of the testimonies that have been coming to the G2Church for the past 10 yrs. Below is a lot of evidence proving our G2Church Sacraments work! **Our G2Church Documentary:** www.quantumleap.is **(subtitled in ten languages) Testimonies in the Documentary also.**

1. **1129 testimonies have come in to date:**https://g2worldwidemissions.org/category/g2-testimonials-reviews/g2-testimonials/
2. www.mmstestimonials.co these are categorized by illness. **1500 more to be added in the next month or so.** (Reuploading since YouTube and Facebook canceled us!)
3. We had more but YouTube shut us down. Our 3 channels in May of 2019 with over 2 million views. YouTube kept all our data and gave us no ability to contest this obvious silencing of the truth. We were forced to go to an uncensored site such as: https://www.brighteon.com/channels/g2church and https://www.bitchute.com/channel/g2church/
4. **Our Bishop in New Zealand:** https://miraclemineral.co.nz/index.cfm?fact=Stories
5. **Video Testimonies:** https://www.bitchute.com/mmstestimonials/
6. **For the past 3 1/2 years I put 10 testimonies in our FREE weekly Newsletter and read on our G2Voice Broadcast:** www.g2churchnews.org 189 broadcasts: www.g2voice.is
7. **3,111 Testimonies from Peruvian Amazon. See Newsletter: https://g2churchnews.org/592-g2voice-194**

NOTE: Many Medical Doctors that use MMS around the world with great results can't tell anyone or they are fired and lose their license and/or threatened with jail!

My books were taken off **Amazon** without debate! Now on www.g2churchbooks.org

Twitter cancelled us!

Facebook took 5 channels and even blocks my personal page!

Vimeo deletes all our testimonies and never gave any to us!

Paypal closed 3 accounts and kept the finances for 6 months!

Clickbank cancelled our acct. after we put out our g2Church Documentary: www.quantumleap.is

GoDaddy cancelled our .com so we had to go to .is Iceland

Google wrote an algorithm so when people search for mms and Genesis II Church. All the false info. About us is first on the search! **Probably another 10 merchant accts. Shut us down.**

In an interview with Google Spokesperson with Business insider revealed an algorithm was created specifically against Genesis II Church and MMS to stop people from finding out what we are doing:

The most important testimony we have, is the CURING of Malaria 100% of the time in one day or less. Up to 500,000 people contract this tropical illness yearly. 1-2 million people die every year from this illness caused by a parasite. 50% of those that die are children under 5. This is the REAL pandemic and can be eliminated from off the face of the earth. The #1 killer in the history of the world over 2 Billion people.

Here are two studies we did in Uganda:
